

Mohamed Abdelmonem

Dear Hiring Manager,

I am writing to express my interest in the Junior Python Django Developer position at your company. With hands-on experience in web development, including HTML, CSS, Python, Django, and related technologies, I am enthusiastic about contributing my skills to your dynamic team.

During my time at CODE4LEARN, I developed responsive websites, created automation scripts, and solved challenges on platforms like Edabit and HackerRank. I am proficient in Django Rest Framework, Vue.js, Git, and Docker, and have deployed applications on cloud services such as DigitalOcean.

My educational background includes a degree in Management Information System from Misr Institute for Engineering and Technology (MET), further complementing my technical skills.

I am eager to bring my passion for innovation and collaborative mindset to your organization. Thank you for considering my application. I look forward to the opportunity to discuss how my skills align with your team's needs.

Sincerely,

Mohamed Mohamed Abdelmonem
